

Master of Science in Finance and International Banking

**Dr. Christophe BOUTEILLER,
Head of the Master in Finance & International
Banking**

Dr. Christophe BOUTEILLER is a full-time Professor of Finance at Reims Management School (RMS).

He holds a MSc in Financial Auditing and a PhD in Management Sciences.

He has carried out post-doctoral research for the Technology and Policy Program at the Massachusetts Institute of Technology (MIT, USA) in the field of the evaluation of intellectual capital.

Dr. Christophe BOUTEILLER has a long-standing interest in both applied and theoretical issues in financial evaluation.

He is a consultant in the areas of financial management of numerous international companies as well as international organisations such as development projects for the World Bank and the European Commission for scientific programmes.
